

Memorandum of Understanding- Extension Traffic Stop Data Collection

The following constitutes a Memorandum of Understanding (MOU) between the United States Forest Service and the National Federation of Federal Employees Local 5300, hereinafter referred to as the "parties." The purpose of this MOU is to document an agreement between the parties to extend the "Traffic Stop Data Collection" (TSDC) MOU signed on September 23rd & 24th 2016 by the parties.

The parties agree to the following:

Per Article "E" in the aforementioned "Traffic Stop Data Collection" MOU between the parties which states:

E: Parties will complete bargaining no later than March 16, 2016, subject to extension by mutual agreement, notwithstanding requests for external assistance by either party (FMCS, FSIP, FLRA).

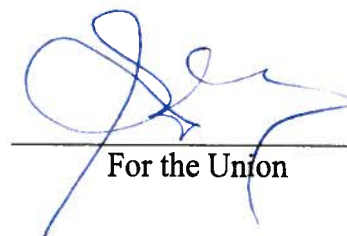

The parties hereby agree to extend by mutual agreement in perpetuity until at such time as any changes occur to the TSDC program or either party requests to negotiate per Article 11 of the Master Agreement. Any future date(s) shall be as in the original, subject to extension by mutual agreement, notwithstanding requests for external assistance by either party (FMCS, FSIP, FLRA).

The purpose of this extension is to allow the parties to identify any potential impacts on Bargaining Unit Employees as a result of any programmatic reviews, analysis or structural changes to the Traffic Stop Data Collection program. Excepting dates, all provisions and agreements contained within the "Traffic Stop Data Collection" MOU remain in effect.

The terms and conditions of this MOU shall be effective upon date of signing by both parties.

For the Agency Date: 2/22/16

For the Union Date: 2-23-16
